To: Dr. Chrys Panayiotou, Professor and Head
Electronics Engineering Technology Department
Indian River State College
3209 Virginia Ave.
Fort Pierce, FL 34981

Re: Statement of Commitment

We the undersigned precision optics employer are committed to support the OP-TEC, Center for Occupational Research and Development (CORD) and Indian River State College (IRSC) in their efforts to be part of a national AAS Precision Optics Program. We will work as advisors in developing this precision optics education curriculum at IRSC to best prepare students for employment in our company. We will provide instructional training assistance and lectures, and student internships to introduce students to an optics industry career. We could further provide support when possible for their AAS Precision Optics curriculum either by demonstrating, loaning or donating equipment that IRSC does not currently have in their inventory.

Dave Vanderpool

A handwritten signature in black ink, appearing to read "D. Vanderpool". The signature is written in a cursive style with a large initial "D" and a stylized "Vanderpool".
